

# EXTREME FABRIC ENCA FAST-TRACK BOOTCAMP

Certify faster. Perform stronger.

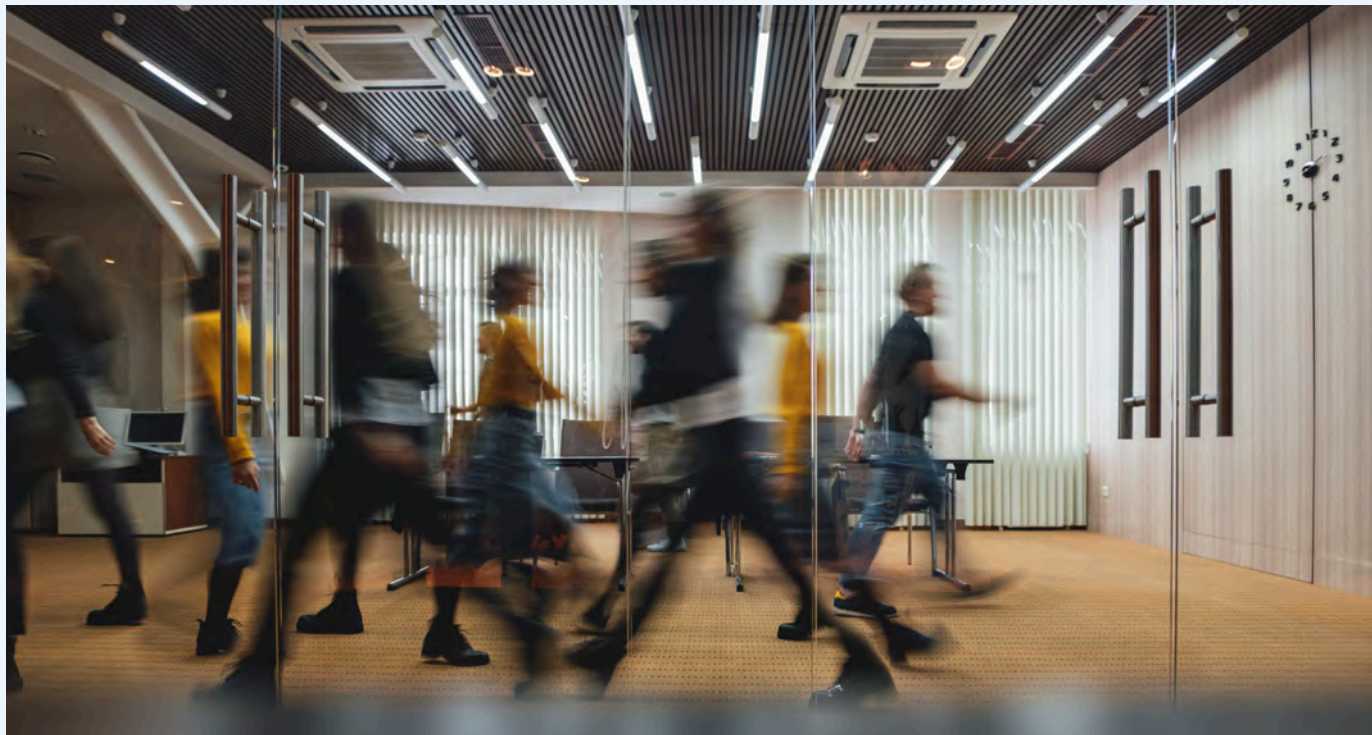

## EXCLUSIVE FAST-TRACK FORMAT

It is not a traditional course. It is a focused certification accelerator.

An intensive online bootcamp designed to help Partners complete their Extreme Fabric ENCA certification quickly, efficiently, and with maximum exam readiness, all within one structured program.

- ✓ Premium, closed-format delivery.
- ✓ Limited availability.
- ✓ Exam included and delivered during the bootcamp.
- ✓ End-to-end preparation process.

## WHAT MAKES IT DIFFERENT?

### **Accelerated certification**

Training, hands-on practice, exam preparation, and certification - completed within 5 focused days.

### **Exam-oriented structure**

Designed specifically to maximize exam readiness and confidence.

### **Practical & applied knowledge**

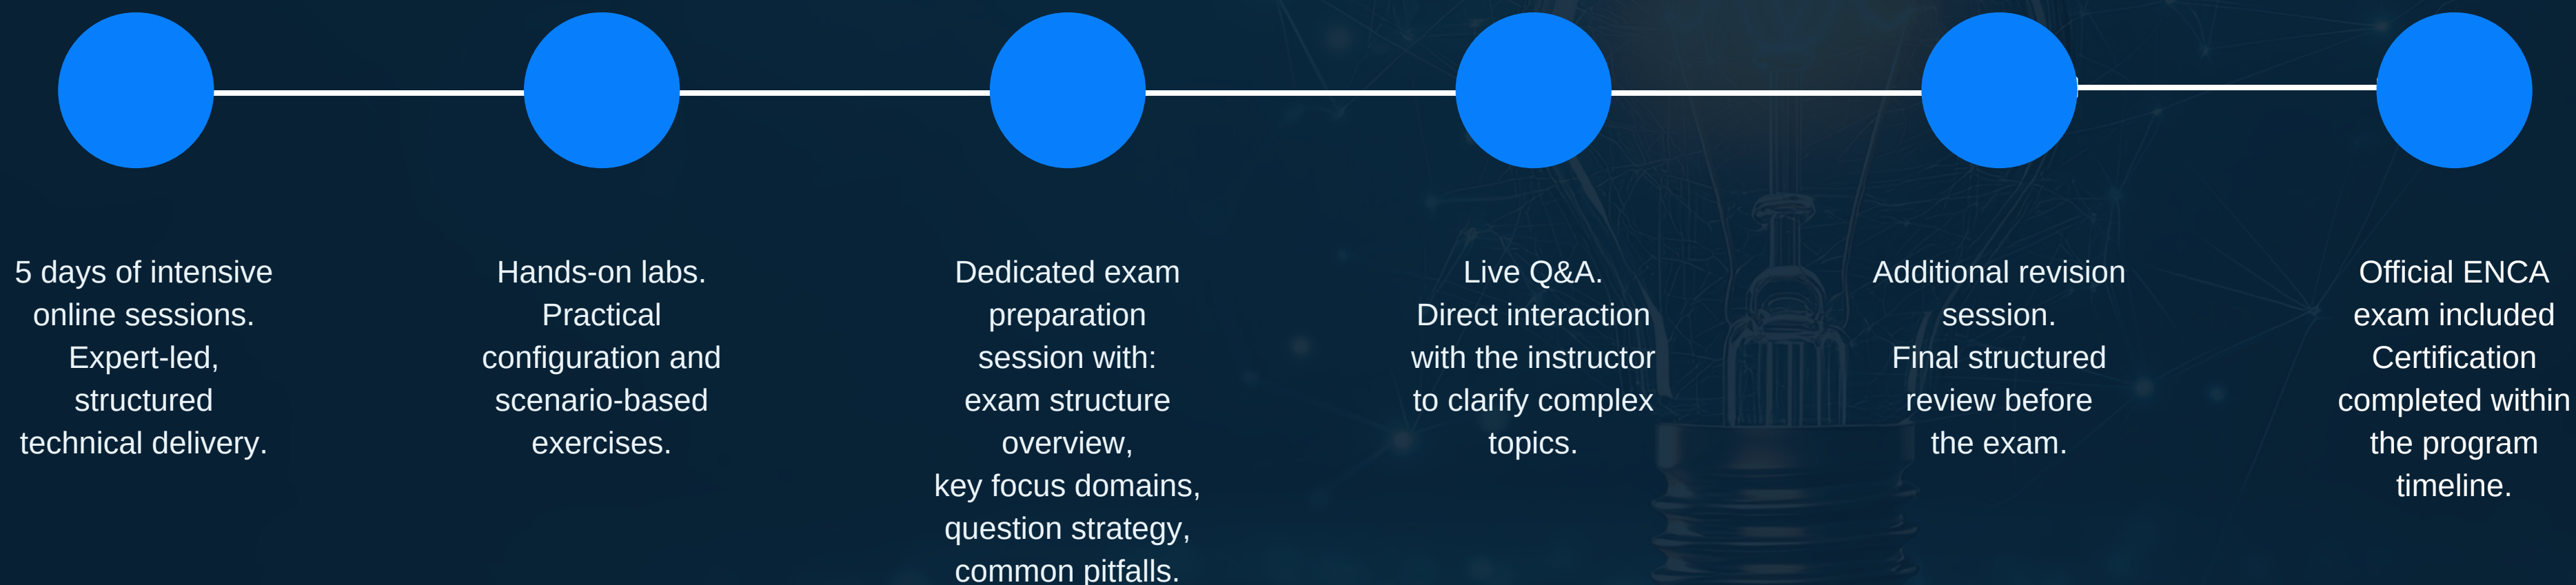

Hands-on labs based on real deployment scenarios.

### **No postponements**

The official exam is taken during the bootcamp, eliminating delays and unfinished certifications.

# PROGRAM STRUCTURE
